

"All our Patients Die!"

PREPARATION

- Dishes in the sink to be washed & put away
- Clear food from kitchen bench tops
- Tooth brushes put away
- Children's toys placed on their beds or center of the room & covered
- Cover beds with spare sheet
- All washing off the line
- Fish tanks to be covered over
- Have sprinkler irrigation system turned off, if it's timed to go on during the day. Leave off for at least 24 - 48hrs for maximum effect.

WE RECOMMEND FROM THE TIME OUR TECHNICIANS ARRIVE YOU STAY AWAY FROM THE PROPERTY FOR A MINIMUM OF 2.5 HRS

CLEAN UP

- Wipe down kitchen bench-tops
- Wipe down bathroom vanity's
- Mop your tiles (if you have crawling babies)
- Wash sheet covers used for preparation

Please note: Our technicians time is extremely valuable, we only ask that if you need to change or cancel your booking if you could please provide 24-48hrs notice. We do understand that everyone has last minute emergencies. Thank you 😊
